Alaskan Way Viaduct Demolition June 1, 2019—DRAFT

Preliminary and Subject to Change

By June 1, 2019, active demolition will be complete except in portions of Areas 1B and 3B, as shown. We will continue to complete punchlist items and perform restoration work as necessary along the alignment until August 2019. This may require temporarily restricting access or parking.

November 29, 2018
